The Problem

The Hidden Challenges of Job Hunting

Finding the right job is hard enough. Knowing why you're not getting interviews is even harder.

Too many job boards. Too little clarity.

Endless Searching

Jobs are scattered across multiple platforms.

ATS Rejection

Your resume can be rejected before a recruiter sees it.

Interview Guesswork

Most candidates don't get realistic interview practice.

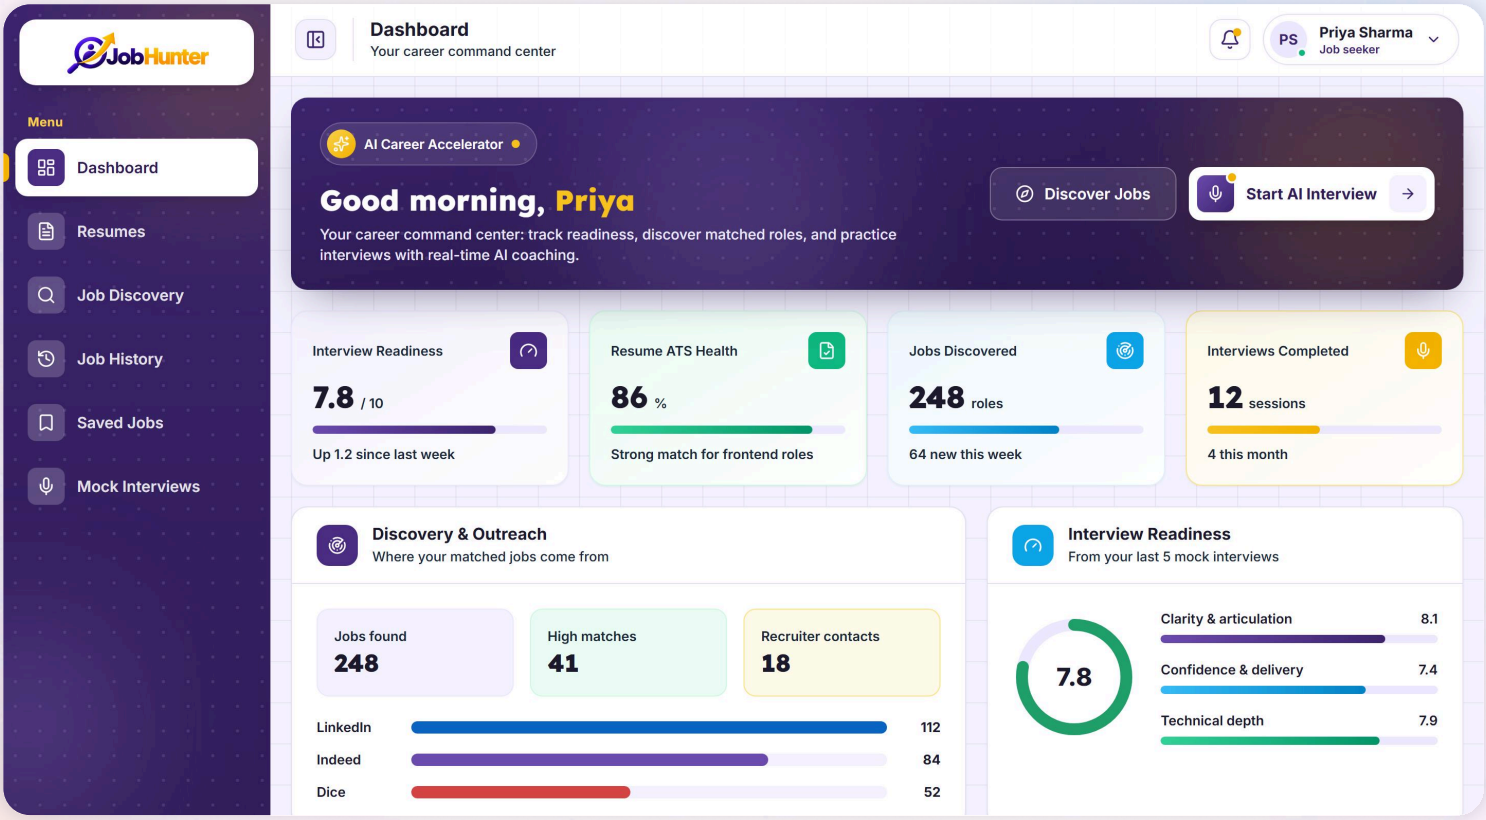

Stop applying blindly. Start preparing intelligently.

Find the right opportunities.
Understand your resume fit.
Practice with an AI interviewer.

The Solution

Job Hunter's AI-Powered Career Workflow

AI-powered career guidance that helps you find the right jobs, strengthen your resume, and prepare with confidence.

What Makes Job Hunter Different

AI-powered career guidance that helps you search smarter, improve your resume, and prepare with confidence.

Smart Matching | AI Intelligence | Real Preparation

Getting Started Is Simple

Go from job search to interview-ready in a few simple steps.

Build Your Profile

Set up your career profile and upload your resume.

Discover Jobs

Search live opportunities across multiple job boards.

Check Your Match

See your AI match score, ATS fit and skill gaps.

Improve Your Resume

Use AI insights to strengthen your resume for the role.

Practice Your Interview

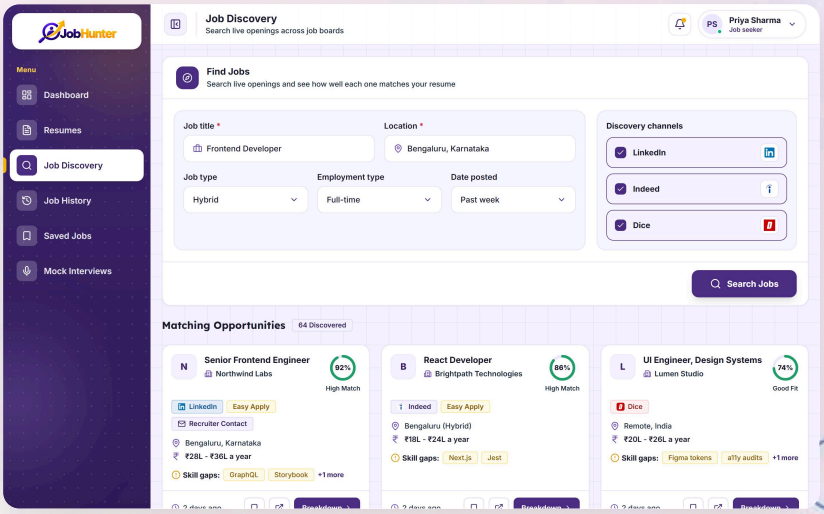

Take a AI mock interview tailored to your target role.

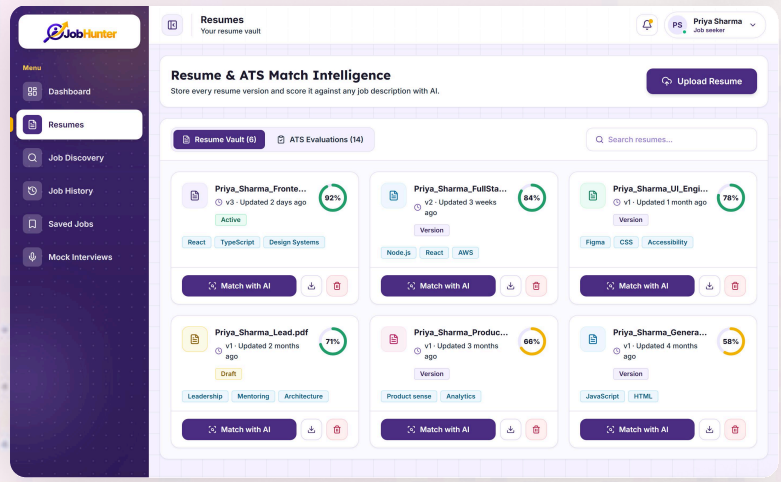

Track Your Progress

prepare for the next opportunity.

Discover Jobs That Match You

Search live job opportunities and instantly understand how well each role matches your skills, experience, and career goals.

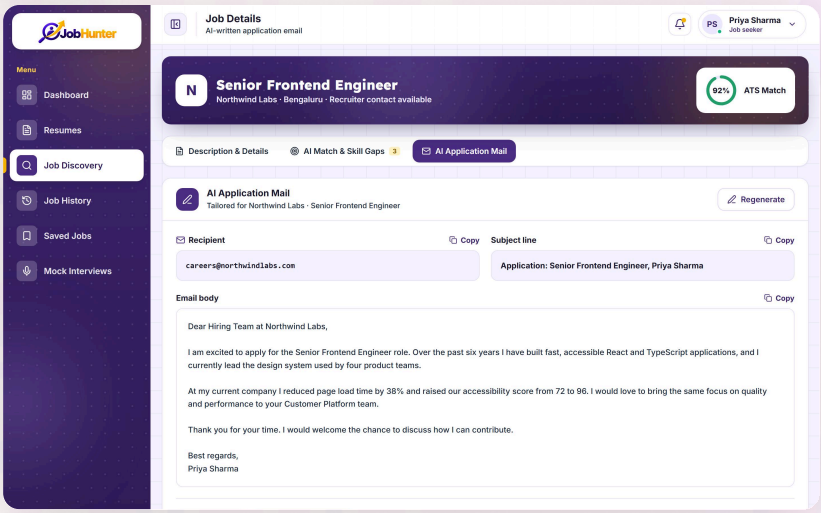

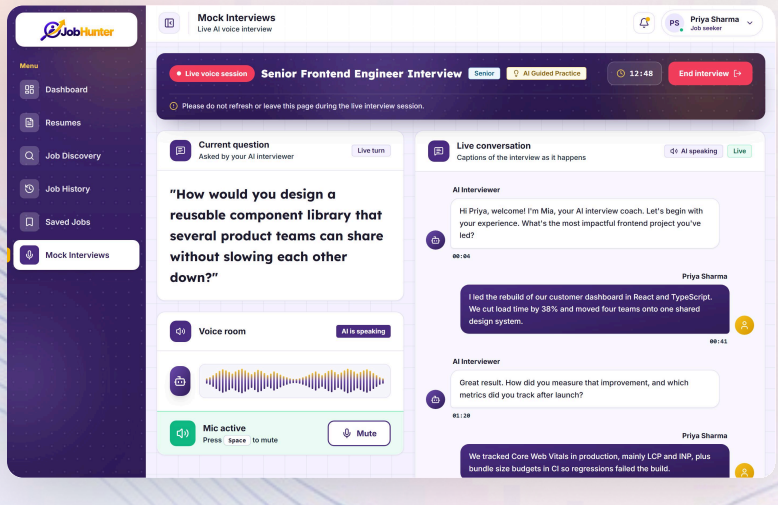

Make Your Resume Job-Ready

Analyze your resume against real job descriptions, identify missing keywords, and improve your ATS compatibility before you apply.

Apply With Confidence

Create personalized application emails tailored to the role and company, so every application feels relevant, professional, and intentional.

Practice Like It's the Real Interview

Prepare for real interviews with an AI interviewer that adapts to your role, experience level, and target job.

Let's Build Your Career Together

Have questions, feedback, or need support? We're here to help you at every step of your career journey.
